

THE MOST
PERSONALIZED
PREP EXPERIENCE

With Deluxe courses, you will have scheduled class times that include *interaction with faculty and peers*, plus the flexibility to review material on your own time. Our expert faculty members deliver high-yield, *structured* live lectures to give you the most relevant content and insight into the exam. With Center access, you can review these lectures before, during, or even after the Live lecture courses. With video content review at Kaplan centers, you can build a strong foundation of knowledge before the live lectures or *reinforce your studies* afterward.

The Kaplan Method (Content Review + Question Review + Exam Simulation)

Only Kaplan provides you with the best Content Review, Question Review, and Exam Simulation that you will need to be successful on test day. With the “Kaplan Method” we have developed the most robust, and comprehensive approach to review that also includes detailed explanations to provide a deeper understanding of the subject matter. And only Kaplan is able to provide this distinct strategy that allows you to develop a study timeline to fit your specific needs.
